

**Kingdom Workers PNW RMT
Report to the 2018 Winter Conference**

2017 Projects

- Funding for two outreach projects for The Vine in Coeur d' Alene, ID (Soccer Camp and First Service)
- Grace Lutheran, Portland Posada Outreach

Your RMT is eager to do more....

- Started in 2011 ☺
- The Mission of the WELS Kingdom Workers (WKW) Pacific Northwest (PNW) Regional Mission Team, by the Grace of God and to His praise and glory, is to work with WELS congregation members and those in fellowship with the WELS, to foster outreach work here in the Pacific Northwest and our country.

We are asking for your help to bring our message:

- Informing your congregations that their RMT is here to support outreach projects
- Offer your members an opportunity to volunteer in helping outreach projects through their time, talent, and treasure.

We need your advice:

- What are the ways that you could recommend to bring this message to your congregation (what works best for you)?
- How often would you suggest this be done each year?
- What types of promotional items (pens, pencils, etc), presentation materials (Powerpoint, bulletin insert, video, Facebook, etc.) would you want to utilize

Please mail or e-mail your thoughts and suggestions to:

Mel Kam
52 Queets Street
Steilacoom, WA 98388
