

CONTINUING EDUCATION *MLC—Your Partner in Ministry*

Developing Lutheran Leaders for Thriving Schools

The WELS Lutheran Schools Office is looking for candidates for the next Principal Credential Cohort.

Eligible cohort candidates

- have three or more years of successful teaching experience
- are not currently serving as a principal
- possess leadership gifts and characteristics

For more information on joining a cohort or nominating a future leader for cohort participation, contact the WELS Lutheran Schools Office at lutheranschools@wels.net or 414-256-4354.

Join the Fun — Host a Summer Satellite Course

Now Scheduling for Summer 2022!

Hosting a course is easy. MLC provides the instructor and pays the instructor's honorarium and expenses. All you have to do is provide a classroom and some beverages and snacks for break time. And we will give you money to buy the snacks and beverages. **What could be easier?**

Choose from over 70 courses in our course catalog. If you don't see something you are looking for, let us know. Our instructors can create a course to meet your needs.

*Satellite requests must be received by **November 15.***

Requests are filled on a first-come, first-served basis.

Contact Dr. John Meyer today at 507.354.8221 or meyerjd@mlc-wels.edu!

REGISTRATION FOR SPRING COURSES BEGINS OCTOBER 15!

MARTIN LUTHER COLLEGE

We've Added Two New Master's Programs

Designed to Meet the Needs of WELS Schools

MS in Education **SPECIAL EDUCATION** *with MN Learning Disabilities Licensure*

The program provides Minnesota licensure in Learning Disabilities both as a stand-alone license for existing WELS teachers and an add-on for MLC undergraduates completing their ABS (Academic Behavioral Specialist) license.

"When parents choose our schools for the Christian education of their children, we want to meet their children's needs with fully qualified and licensed teachers who are ready to collaborate with a team in support of their children."

Professor Kelli Green

MS in Educational Administration **TECHNOLOGY DIRECTOR**

This program, designed specifically for WELS congregations and schools, provides current and aspiring technology directors with the practical knowledge and skills they need.

"We looked at the challenges WELS technology directors often face—infrastructure, technology integration, student privacy, device management, faculty training—and designed courses that address those challenges."

Professor Rachel Feld
