

MARTIN LUTHER COLLEGE

Martin Luther College— *Your Partner in Ministry*

Exciting Things Are Happening in Our Early Childhood Program!
We've Just Made It Faster and Easier to Study for Your CDA

Starting this spring we will be offering . . .

EDU9105 Early Childhood Basics I

EDU9106 Early Childhood Basics II

EDU9107 Early Childhood Basics III

The courses are offered consecutively so you can take them in one semester.

In fact, we encourage you to take them all in one semester.

This coursework prepares you to apply for the CDA Credential.

Registration for Spring Courses Begins OCTOBER 15!

Join the Fun—Host a FACE-TO-FACE SUMMER COURSE

Now Scheduling for Summer 2024!

Hosting a course is easy. MLC provides the instructor and pays the instructor's honorarium and expenses. All you have to do is provide a classroom and some beverages and snacks for break time. And we will give you money to buy the snacks and beverages.

What could be easier?

Choose from over 70 courses in our course catalog. If you don't see something you're looking for, let us know. Our instructors can create a course to meet your needs.

Satellite requests must be received by November 1.

Requests are filled on a first-come, first-served basis.

Contact Dr. John Meyer today at 507.354.8221 or meyerjd@mlc-wels.edu.

MARTIN LUTHER COLLEGE

Four Master's Programs *Uniquely Designed for Your Needs*

Master of Science in EDUCATION

Choose Your Emphasis:

- Educational Technology
- Instruction
- Leadership
- Special Education

Martin Luther College's Master of Science in Education is an online degree program that encourages dedicated educators to be reflective and innovative as they pursue new levels of excellence in their ministries.

This degree enables you to follow a suggested program or to create a customized plan that fits your unique position or career goals.

Master of Science in EDUCATIONAL ADMINISTRATION

Choose Your Emphasis:

- Early Childhood Director
- Principal
- Technology Director

Martin Luther College's Master of Science in Educational Administration is an online degree program designed for Lutheran school leaders. The program's goal is to produce professional leaders who are faithful, skillful, and visionary—transformational leaders whose gospel ministries will demonstrably strengthen their schools and profoundly impact their students' learning and lives.

Master of Science in SPECIAL EDUCATION

*Created for
Teachers*

*who want to serve as
Special Education Teachers.*

Martin Luther College's Master of Science in Special Education is an online degree program that prepares you to become a K - 12 special education teacher with licensure for mild to moderate disabilities. Upon graduation, you will have the option of earning a Minnesota LD license (transferable to your home state).

Master of Arts in THEOLOGICAL STUDIES

Created for

*Teachers and Staff Ministers
who want to build a broader
and deeper foundation for
their ministry.*

Martin Luther College's Master of Arts in Theological Studies is an online degree program that provides spiritual and professional growth through advanced studies in Scripture, doctrine, church history, and ministry.

It is designed primarily for Lutheran teachers and staff ministers who want to dive deeply into God's Word.
