

Passion of Christ – Personal Action Plan

Session One – Passion of Christ for Us and Our Passion for Christ

1. What application of Christ's passion will you share with someone you love when you get back home?
2. In what area of your life do you have a renewed desire to serve God passionately?

Session Two – Passionate Leadership

1. What will you do to recapture your passion for Christ's ministry when you get back home?
2. What ministry knowledge or skills do you hope to improve after today?

Session Three – Passionate Churches

1. Which of these two: outreach or spiritual growth, needs special attention right now in your church?
2. What will be your first steps to change the ministry of your congregation when you get back home?

Session Four – The Take Home Plan

What three things will we do to convict our leadership of the need for change?

What three things will we do to honestly assess our effectiveness in making disciples?

Who are the three possible consultants that we could get from outside our congregation to give us an objective evaluation of our ministry?

How and when will we create a ministry plan for our congregation?

Name three people that will be an outside support group for ongoing ministry enhancement.

What three things cannot change about the status quo of my congregation's ministry?

What three things may need to change about the status quo of my congregation's ministry?

What three things must change about the status quo of my congregation's ministry?

What are the "indirect measurable" we will use to know that our disciple making plan is working?

Where are the benchmarks we hope to realize if our plan is effectively working?

In what leadership groups will we evaluate the measurable data and adjust the ministry plan?
