

THE VALUE OF A CHRISTIAN COLLEGE EDUCATION AT WLC

Wisconsin Lutheran College (WLC), a nationally ranked Christian college in Milwaukee, serves more than 1,100 undergraduate and graduate students through its on-campus and online programming. WLC generously invests in making a Christian college experience affordable because we know the positive impact that WLC graduates are making around the world.

PARTNERS IN CHRISTIAN EDUCATION SCHOLARSHIP

A \$2,000 renewable scholarship will be given to new undergraduate students who graduate from a Christian high school and enroll at WLC, to help them continue their Christian education in a liberal arts setting.

Merit Awards for qualifying freshmen enrolling in Fall 2023 range from \$10,000 to \$18,000 per year, for a lifetime value of \$40,000 to \$72,000. For more information on these and other scholarships offered by WLC, visit wlc.edu/scholarships.

students with an excellent, Christ-centered education. The higher-education landscape is ground zero for so many non-Biblical causes and ideals. WLC remains committed to and grounded in Christian values and Biblical truth within a world that so desperately needs people to serve others while sharing the love of Christ.

WLC is an independent college affiliated with the WELS; as your partner we train the future lay leaders of our church. During their time at WLC, students grow both spiritually and academically, encouraged by our faculty and staff who help them realize their God-given purpose. We stand ready to prepare the next generation of Warriors for lives of Christian leadership at work, in the community, and at home.

Thank you for your support, and I pray that God richly blesses your service and fellowship at your fall conference.

In Christ's Service,

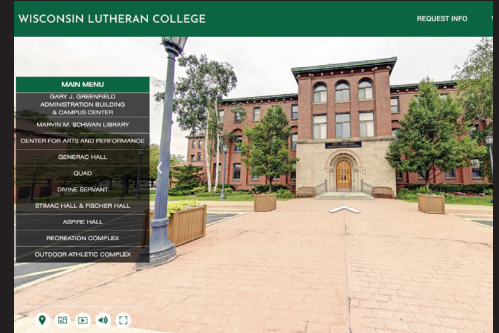

Dr. Daniel W. Johnson
