12:00	Closing Devotion Leader: Text:

The theme for the 2017 conference is, "One in Christ"

Many things cause division in our world today. Friends separate due to opposing political views. Families are torn when one brother bleeds green and gold while the other will chant "Sea... Hawks" till his dying breath. There may be three cartons of milk in your fridge right now because you can't agree on 2%, skim, or soy. What about your faith? How has your trust in Jesus caused divisions in your families, with friends, in the workplace, or in society? While our study topic for this year focuses on the doctrines that divide the church, we invite you and your family to join us this Fall as we celebrate the unity that have with one another and with our Heavenly Father through faith in Christ Jesus.

"Doctrines that Divide"

Christian doctrine is a vital part of the Gospel message, but certain doctrinal beliefs have divided the church for centuries. In this Bible study we will examine four of the controversies that exist within the broad spectrum of Christianity, presenting the historical background of the issue and the biblical understanding of the doctrine. We will consider the following: Predestination or Free Will? / Can a Believer Fall from Grace? / The Sacraments / Saved by Faith or Works?
