CHRIST FOR ME, CHRIST THROUGH ME

This year's school theme "Christ FOR me, Christ THROUGH me" is based off the senior class' graduation verse choice of Galatians 2:20. The theme has two significant parts: justification and sanctification. First, "Christ FOR me" reminds us that Christ came to this earth for me, lived a sinless life for me, and died on that cross for me. He justified us freely from our sins and the punishment that we earned. Lastly, "Christ THROUGH me" reminds us that God now uses us to share the message of sins forgiven with others. We live a life of thankful living in service to Christ. The entire school year of chapel services will center on this theme.

INFORMATION OVERLOAD

In an attempt to inform our entire family in the Pacific Northwest, the staff at ELHS has invested a large amount of time and effort into improving our communication with our churches, schools and individuals. We have improved the format of our publications, seen most notably in The Eagle, our quarterly publication. If you do not receive this amazing magazine, contact our Mission Advancement Assistant, Mrs. Ryan Bishop at rbishop@elhs.org.

We have also looked to improve our web presence and social media frequency. If you do not already follow Evergreen on social media, please find us and follow us. You can also follow our YouTube channel where a wide variety of different Evergreen videos are uploaded frequently. All of these links can be found at the top right of our website as shown in the picture below.

You can also expect to see a new website in the next few months. We are creating a newer, more dynamic website that is easier to navigate. We can't wait to share it with you.

EVERGREEN IN SOUTH KOREA

Ryan Schmeling, together with his wife Kim, made a visit to our ELS congregation and school in South Korea this past September. They were able to visit the Study Abroad Fair which hosted over 25,000 visitors over the 2 days. They also met with current families, alumni parents, and the new pastor of Seoul Lutheran Church, Pastor Choi. We are so blessed to share our ministry with our brothers and sisters in Korea. Please continue to keep their ministry in your prayers.
