

2022 Pacific Northwest District Convention

FLOOR COMMITTEES for Reading Summary and Service

Floor Committee Chairman will meet with their committees in assigned rooms at Evergreen on Tuesday, June 7, after the closing devotion. There should be ample time to discuss and craft brief summaries of your assigned sections of the RTTD. Those summaries will be posted on the district website on Tue. night and shared with the convention attendees by the chairman or his secretary on Wednesday during our plenary time.

Lay delegates from congregations have been assigned to a floor committee. Pastor and Teachers, please forward the reading assignments on to your lay delegate immediately so they can read their sections beforehand. (Names that don't appear are those who have excused verbally or in writing)
