Schools of Worship Enrichment

-Summary from RTTD: *"These events have been some of the most valuable and appreciated efforts of the Commission on Worship. Participant surveys at every site representing a wide variety of parishes throughout the country have given high marks to these events. We have experimented with a one-day event as an alternative to the full weekend event. But when possible we still recommend the full weekend option, Saturday morning through Sunday 4:00 p.m., with Sunday morning worship planned by School of Worship Enrichment leaders."*

-It has been a while since we ran a SoWE in the PNW. If you think your church would benefit from one of these schools please contact Daniel Lange, pastorlange@lightoflife.us.

Notable Future Activity

- A curriculum for hymnology is currently being developed. First releases are expected by June 2017.
- A major worship education resource will be developed in conjunction with the new Hymnal Project.
