Along the way, she encourages you to take on a similar quest. Angie prays that the Holy Spirit will open both her and your heart to repentance, understanding, and—ultimately—a life of greater love for God. **\$15.99**

## ***The Life and Teachings of Jesus Christ***

Experience the inspired histories from the gospels carefully brought together into one account of Jesus. No words have been added or changed to construct this harmony of the gospels. Pick up *The Life and Teachings of Jesus Christ*, and learn more about what the four gospel accounts together present about your Savior. **\$17.99**

### ***Bible Stories for School and Home***

Revisit the fond memories of reading Bible stories as a child with *Bible Stories for School and Home*. This classic collection was originally published in 1955 to fulfill a longtime need for a Bible story book for younger children in Christian day schools, and its message remains important today. Written for children in grades one through four, *Bible Stories for School and Home* contains 102 easy-to-read, richly illustrated accounts from the Word—from the creation in Genesis through the life of Jesus Christ in the Gospels. Share these eternally relevant and powerful truths with a child in your life, and watch his or her faith blossom. **\$21.99**

### ***Ten Things to Tell Your Grandkids***

Grandparents put their heart and soul into their bond with their grandchildren. This often means they will express care for their spiritual lives and their eternal well-being. Still, sharing the awesome truth about God and his love with a younger and much different generation can be challenging. *Ten Things to Tell Your Grandkids* gives you encouraging, scriptural, and grandparent-tested advice for having meaningful conversations about faith with your grandchildren. This practical Christian wisdom will support and guide grandparents as they continue to point their grandchildren to Christ. **\$8.99**

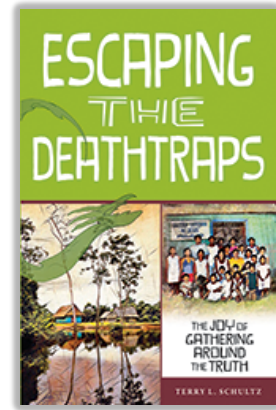

### ***A Return to Grace: Luther's Life and Legacy DVD***

Witness this cinematic retelling of the dramatic moments that shaped the life of this great reformer. Luther shared many of our own questions about life and faith, and the answers he found sparked the Reformation movement. Now, over 500 years later, we are still feeling the impact of his faithful actions. *A Return to Grace* will help you understand—just as Luther did—that the only place to turn for truth is God's Holy Word. **\$14.50**

***Escaping the Deathtraps: The Joy of Gathering Around the Truth***

Follow the story of Tashi, Pastor Pedro, and other members of a Lutheran congregation in a Peruvian village as they wrestle with tough questions about church fellowship like, “Why do there have to be so many different kinds of churches?” and “Does it matter that churches teach different things?” This exciting and even humorous story illustrates how God lovingly protects his people from false teachings. You will discover that church fellowship is an expression of love—not of exclusion or judgment. Study questions are included after each chapter, making *Escaping the Deathtraps* an ideal read for church book clubs and informal Bible studies. **\$18.99**

***From Dirty to Dancing***

*From Dirty to Dancing* is a Gospel-centered resource to support Christians who struggle with an addiction to pornography. This uplifting book has four goals to help readers move from despair in sexual sins to celebration in God's forgiveness: to warn readers of the dangers of pornography, to show readers that Jesus died for sexual sinners, to encourage readers to confess their sins to others, and to formulate a practical plan for conquering their addiction. No matter how troubled a believer may be by this sin, *From Dirty to Dancing* assures that—through Christ—God has forgiven us and longs to help us conquer our sinful struggles. **\$10.99**
