

## NEW PRODUCT RELEASE INFORMATION for PAIM

Product Title & Stock Number: 2806147 and 2806147E Festival Nunc Dimittis

Product Author: Kenneth Kosche

Interesting Facts about Author: Kosche has been a mainstay at NPH for some time. He is arranger of the popular Creative Hymnodist series as well as a few other titles published by NPH. He is also published by CPH and MorningStar, and we carry some of those titles as well.

Product Editor: CSN/JSB

Summary of Product: This choral piece is a commission for the 2017 WELS National Conference on Worship, Music and the Arts. For the first time, a conference commission will be available for sale at the conference with which it is associated. Additionally, subsidy from WELS has made the print version of this piece possible. The setting combines the final stanza of "Lord, You I Love With All My Heart" with the Nunc Dimittis from the Common Service found in *Christian Worship*. It offers a unique intertwining of two familiar songs (a hymn and a song of the liturgy) that is fresh but still accessible. For congregation, optional SATB, and organ.

Key Benefits/Features of Product: Familiar music in fresh setting, flexible performance options articulated on first page of music, available for sale at the time of its premiere, available in print format.

Different Uses for Product, including Anticipated Market: This product can be used with large, small, or no choir, and therefore should appeal to a wide range of congregations with varied musical resources.

Current NPH Products Related to Product: Not sure if any truly similar products exist, but it is much like a concertato without all the bells and whistles (or perhaps brass and drums is a better way to put it).
